

## Keep your family protected with combined memberships.

### Protect your family with an AirMedCare Network (AMCN) membership.

If you or a family member experience a life or limb threatening emergency, our alliance of air ambulances can provide medical transport—dramatically reducing travel time to an emergency treatment facility.

### When you join, you're covered.

Out-of-pocket expenses for emergency air medical transport average \$18,000.....but with AMCN membership, you can have peace of mind knowing you'll have no out-of-pocket expenses if flown by an AMCN provider. As an AMCN member, you're covered by over 320 locations across 38 states, **including your local providers CALSTAR & REACH (we even have bases in Alaska & Hawaii).**

### Add Fly-U-Home membership for added protection.

Fly-U-Home is an additional, must-have membership for our members who travel more frequently, have college students in S. CA or out of state, or enjoy cruises along the US border. If you're hospitalized 150 nautical miles or more from home, AMCN Fly-U-Home can provide air medical transport to your local hospital of choice back home. You don't have to drive or be stuck in a hospital far away—and you'll have no out-of-pocket expenses in relation to your flight.
