About YBONC-Youth Bicyclists of Nevada Co. Foundation

Our Mission

To establish and facilitate a safe environment for youth cyclists, educate the values of nutrition, promote wellness and a healthy lifestyle.

As fundraisers, we host races, a women's MTB skills clinic and camp and schedule raffles to help fund YBONC programs that support our school bike clubs. Additionally, increase recreational tourism revenues for our community.

YBONC started in 2007-08, about the same time Matt Fritzinger founded NorCal HS MTB Racing League. YBONC provides administrative support, club insurance, and programs on trail etiquette, MTB skills, camaraderie, nutrition, sportsmanship, trail stewardship projects, community service hours, and more at: <https://ybonc.org/>

We currently support 8 middle school bike clubs, and 1 high school aged bike club. That's approximately 300 youth! Middle school bike clubs ride a fall and spring season, one week day ride after school for about two hours. The high school bike club members ride 3 days a week, averaging 1,600 miles per student (1,100 miles on trails, 400 miles in the gym spin room, and approximately 100 miles). As a team in 2019, they cycled approximately 48,000 miles, not including our awesome volunteer ride leaders. Holy Moly!

Besides supporting school bike clubs....

2019, with our partner BONC-Bicyclists of Nevada County, we started our first bike park project in mid Nevada County, called Gateway Bike Park. #gatewaybikepark

Donations welcome at:

2020 ... supporting middle school races by ChainLinkZ ... WooHoot!

2020 ... A new trail project on a local charter school property to host a high school MTB league race!

June 13th 2020 Join family festivities at Nevada City Fat Tire Festival, 5-10pm

We want to say "Thank You" to our race partners, Sea Otter Classic and Susanville Area Bicycle Association, and all racers for your awesome support by coming to our races... **YOU ALL ROCK!**

Happy Trails!
